

# PPE-ID™ Chart & Label Booklet Kit

Help employees, contractors, and visitors understand personal protective equipment (PPE) requirements in and around your facility.

### PPE-ID™ Chart

- Ideal for posting at entrances, doorways, time clocks, lockers, and more
- 24" x 18" PPE-ID™ Chart is printed on sturdy plastic with UV protective coating
- Designed to show specific PPE requirements for designated hazard areas
- Template with blank spaces to be filled in by placing PPE product pictorials from the Label Booklet. (sold as part of a kit or separately)

### Label Booklet

- Label Booklet contains 2" x 2" self-adhesive vinyl images of commonly recognized standardized PPE
- Broken down into popular categories; body, eye, foot, hand, head, hearing, and respiratory
- Easily peel and place the appropriate label onto the available spaces on the chart
- Helps non-English speaking workers quickly recognize required PPE
